PMI Article on Career Hack

The screenshot shows the PMI website interface. At the top, there is a navigation bar with links for Home, About, Join, Contact, Help, My Profile, and Login / Register. Below this is a search bar and a secondary navigation bar with links for myPMI, Certifications, Membership, Learning (highlighted), Events, Business & Government, PMBOK® Guide & Standards, and Store. The main content area features a breadcrumb trail: Home > Learning > Professional Development > Career Central > 5 Ways to Boost Your Project Management Career. The article title is '5 Ways to Boost Your Project Management Career' with a PMI logo. The article text begins with 'Professional development is all about the long game. But you can get noticed in the short-term with these simple career hacks.' and is dated '8 April 2015'. A sidebar on the right contains a 'PMI Career Central' section and a 'What do you think?' section.

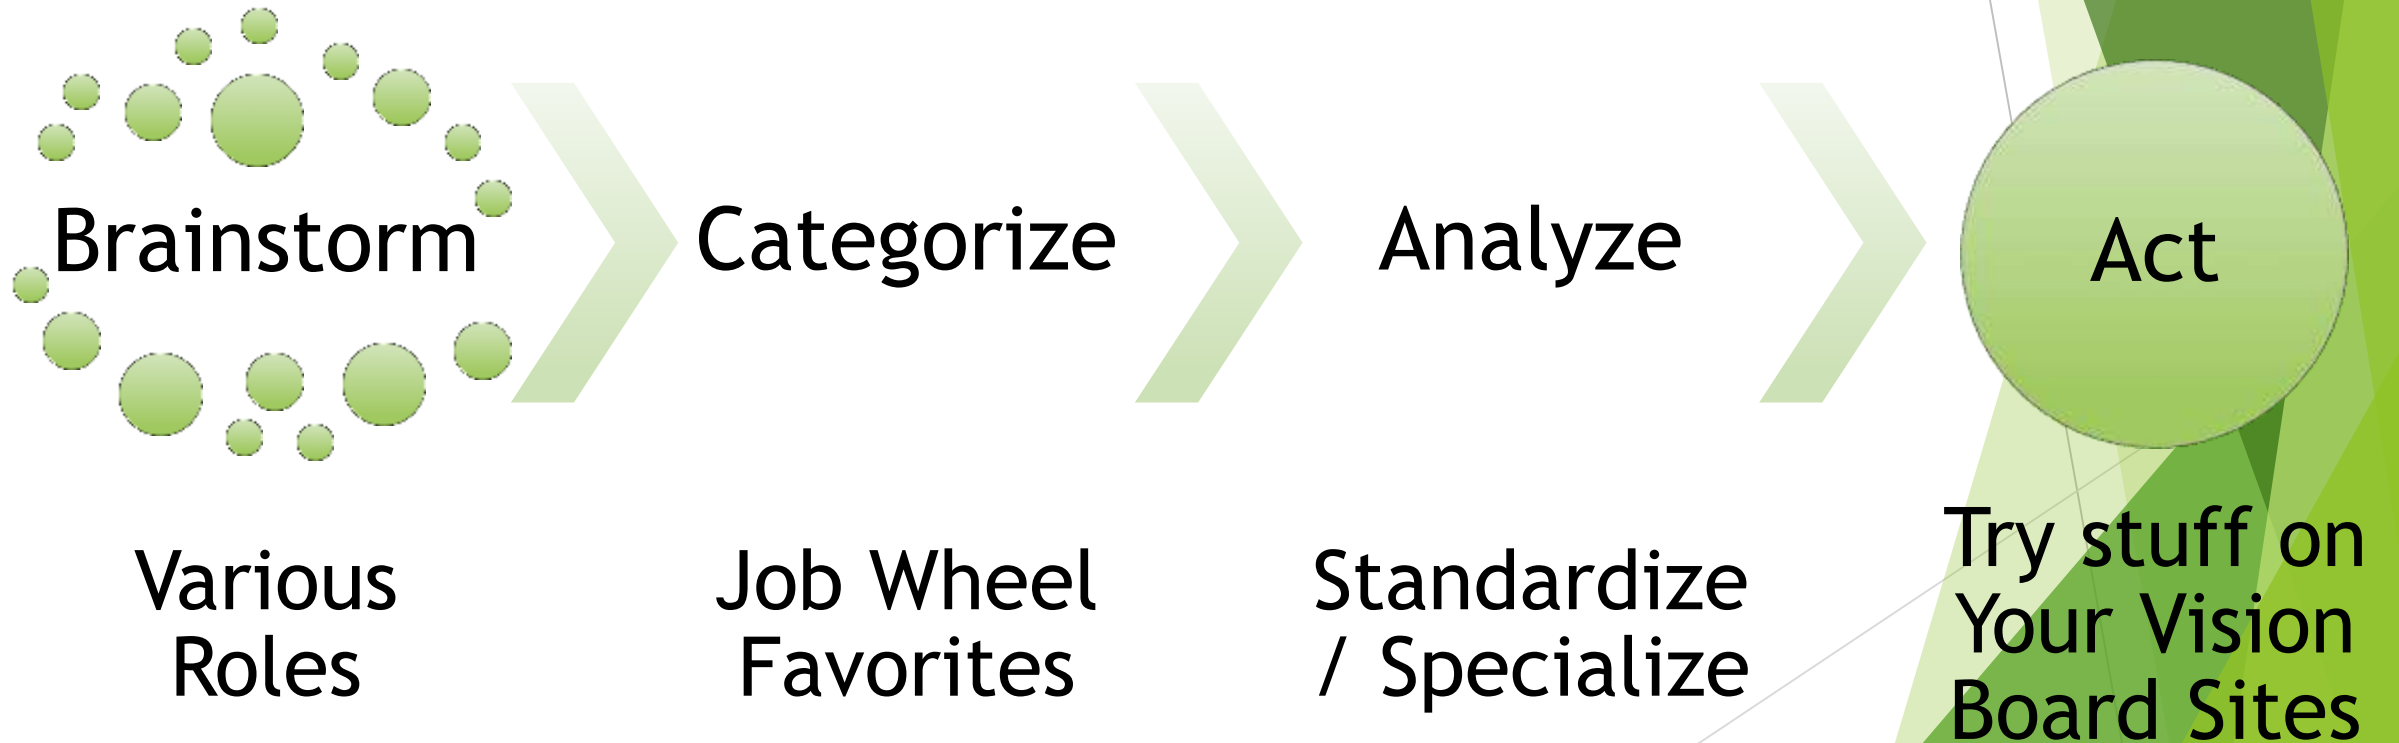

1. Map Out Your Future
2. Standardize / Specialize
3. Team Up With a Mentor
4. Network, Network, Network
5. Walk Away From Work
